

# Bus Parking, and Parking for Visiting teams at Todd Beamer High School

**Buses** After dropping off wrestlers in the front of the school at the far south end of the parking lot,

Parking buses then will circle back to the entrance of the parking lot and now instead of pulling in front of the school, continue east around the school, using the access road behind the school to park for the duration of the tournament. Do not park in the TBHS gym parking lot as this will be for spectators.

Fan parking in the parking lot south of the school
