Matches	23-24	8:30 a.m.	Kamiakin High School
Matches	25	11:00 a.m.	Kamiakin High School
Match	Finals	1:30 p.m.	Pacific Clinic

DRAW PROCEDURE

A modified allocation formula will be followed to determine the #1 teams, with each WIAA District guaranteed a #1 team if that District is allocated at least one (1) team. If Districts elect to combine for qualification purposes, each District will still receive a #1 team. Districts that combine during the regular season would be considered a single District and would receive only one #1 team. 16-team bracket definitions: The total tournament first round bracket includes games 1-8. The top half bracket includes games 1-4, the bottom half bracket includes games 5-8. The quarter brackets are as follows: Game 1-2, 3-4, 5-6, 7-8.

1. The "true" #1 teams from each WIAA District will be drawn first to determine which half bracket they will be drawn, with an equal number of "true" #1 teams in each half bracket.
 - a. If there are four (4) or fewer "true" #1 teams, they will be drawn into different quarter brackets.
 - b. The "true" #1 team for the bottom half bracket will be held out until after the home teams for Games 1-4 have been drawn.
2. The #1 team from each WIAA District will be drawn first as the home team for Games 1-4, and then Games 5-8.

3. Since there are fewer than eight (8) #1 teams, a modified allocation formula will be applied to determine the additional #1 team. The modified Allocation formula will be based upon the number of schools participating in each District.
4. Districts with two (2) or more teams shall have their #2 team placed in opposite half brackets from their #1 team.
 - a. With three (3) allocations, the #3 team can be drawn into either half bracket.
 - b. With four (4) allocations, #1 and #4 will be drawn into the same half bracket; #2 and #3 will be drawn into the same half bracket.
 - c. With five (5) allocations, #1 and #5 will be drawn into the same half bracket; #2 and #4 will be drawn into the same half bracket; #3 can be drawn into either half bracket.
 - d. With six (6) allocations, #1 and #6 will be drawn into the same half bracket; #2 and #5 will be drawn into the same half bracket; #3 and #4 can be drawn into either half bracket.
