TEAMS/INDIVIDUALS UNABLE TO ARRIVE FOR SCHEDULED COMPETITION AT A CHAMPIONSHIP EVENT

The WIAA Executive Board and executive staff believe that all teams/individuals earning the right to participate in championship events should have those rights protected as much as possible. The WIAA Executive Board and executive staff also recognize the efforts of all participants to attend the championship events. The participating schools must also realize that these events are held to certain restrictions with facilities, game officials, and all other game administration. A WIAA championship event shall be defined as regional and state competition. The competing school is responsible for notifying the WIAA office or the event manager, if the school is having difficulty traveling to the event site due to weather or a clear area-wide emergency and may not arrive in time for the scheduled event(s). Notification shall be made as soon as possible after it becomes evident that the team/individual is having difficulty. School personnel have the responsibility of making alternative travel plans to tournament sites based upon weather forecasts and any other pertinent information. As a common practice, input and recommendations are to be sought from the Highway Patrol and/or the Department of Transportation. Specific circumstances not covered by this policy are left to the discretion of the WIAA Executive Director or designee.

1. If a team/individual is unable to arrive at a championship event site for their scheduled competition due to circumstances beyond their control (e.g., an earthquake, all passes closed, roads closed due to flooding, etc), that team/individual will be allowed to participate in their scheduled event provided they arrive at the event site and are able to compete on the day of their scheduled event. The WIAA Executive Director, in cooperation with the event manager, shall adjust the schedule of the event for the purpose of allowing maximum participation for all qualified schools. If the team/individual is unable to arrive to compete on the day of its event, a forfeit is recorded and that team/individual shall move into the consolation bracket or be dropped from competition, whichever is applicable to the particular event.
2. There may be times in the interest of safety, weather, or conditions beyond the control of the participating schools and/or the tournament management that it becomes necessary to delay, postpone, or cancel such tournaments. The intent of this policy is to accommodate the participating school(s) by rescheduling if possible.
 - a. The following practices shall be observed:
 - 1) If severe weather conditions affect a participating school, but not the tournament, the principal must notify the tournament director.
 - 2) If severe weather conditions affect the tournament, the WIAA Executive Director or WIAA staff designee will make the final decision concerning tournament postponement or rescheduling.
 - 3) Play will resume on the next playable date.
 - 4) Changing of sites, postponement or cancellation of events will be determined by the WIAA Executive Director or WIAA staff designee.
 - b. Procedures to follow if contests are rescheduled:
 - 1) The WIAA Executive Director or WIAA staff designee has the final authority on contest rescheduling.
 - 2) If contests are rescheduled on the same day as originally scheduled but at a different site, the semifinal and championship contests will be scheduled at the same time or later than originally scheduled.
 - 3) Time between contests may be shortened. Example: If contests were originally scheduled at two (2) hour intervals, they may be rescheduled at one and one half (1½) hour intervals.

- 4) Individuals/teams shall be granted a minimum of twenty (20) minutes for rest between contests.
 - 5) Whenever possible, contests played on the final day of the tournament shall be scheduled to allow individuals/teams to return to their home community that day.
 - 6) If during the last scheduled day of a WIAA tournament, contests are unable to be restarted requiring postponement overnight, only those individuals/teams still in contention for the championship will continue play. Individuals/teams not in contention for the championship shall be awarded a tie for the highest placing that could have been earned if postponement had not been necessary.
3. Ticket revenue will not be refunded in the event the schedule and/or day(s) of the event are changed due to inclement weather. Tickets may be honored at a later date when play resumes.

Due to action taken by the WIAA Executive Board, schools will no longer be asked if they are willing to play on Sunday if inclement weather prohibits play on Saturday. If fields are available, the games will be rescheduled for Sunday. If fields are not available, the games will be rescheduled for Monday. Event managers will no longer be collecting the Sunday waiver forms, but schools districts will still need to determine if their teams will be allowed to play on Sunday.

WIAA UNMANNED AERIAL VEHICLE (DRONE) POLICY

The use of unmanned aerial vehicles (“UAV”), also known as drones, is prohibited for any purpose by any persons at WIAA tournament venues. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed.

For purposes of this policy, a UAV is any aircraft without a human pilot aboard the device.

An exception to this policy may be made in specific cases for WIAA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the WIAA.

COUNTING PITCHES AT 2019 REGIONAL AND STATE BASEBALL

The regional and state managers will provide the scorekeeper and scorebook which will be the official document for the pitch count

- regional and state managers have the option to secure an additional person to track pitches (using hash marks on the in-game pitch count chart or a piece of paper)

Each team is responsible to verify its pitch count with the official pitch count at the end of each half inning.

- each team must designate which coach will serve as the team contact for relaying pitch counts
- coaches must verify or challenge the pitch count at each half inning
- if the coach does not challenge the pitch count at the end of the half inning in which the reported number was allegedly different, he/she loses the opportunity to challenge the number

A visual pitch count display may be posted on the scoreboard (if a separate pitch count display is not specifically designed on the scoreboard, the area for batters uniform number can be used for that purpose) and/or flip score cards in the press box

Tournament manager or designee will notify UIC or plate umpire to stop the game if pitcher reaches 105 unless completing the t bat; coach must pull pitcher at that point or forfeit game.

- UIC needs to understand and cover procedures with all assigned umpires.

ADDITIONAL FOR REGIONALS

Pitches carry over from game one or game two to game three (daily pitch limit).

WIAA PITCHER LIMITATION RULE

29.5.0 PITCHER LIMITATION

29.5.1 The pitching limitation rule applies during all regular season and postseason games, as well as to tied, suspended, discontinued or protested games.

29.5.2 The pitching limitation rule is based upon the number of legal or illegal pitches thrown during a calendar day with a maximum of 105 pitches in a calendar day. **At the beginning of the at bat, if the pitch count is less than 105, a pitcher will be allowed to finish the at bat.**

29.5.3 High school pitching limitation

# PITCHES	REQUIRED REST
76 - 105	3 calendar days
51 - 75	2 calendar days
31 - 50	1 calendar day
1 - 30	0 days

What constitutes a pitch for the purposes of the pitch count?

For the purposes of the pitch count, the count shall be increased by one for every legal or illegal pitch thrown by the pitcher. For clarification, two conditions must be met in order for a thrown ball to be counted toward the pitch count:

1. The ball must be leave the pitcher's hand in the direction of the batter for the purposes of being put into play;
2. The result of the throw is one of the following;
 - a. A call of ball;
 - b. A call of strike;
 - c. A batted ball;
 - d. Any call in which the batter is awarded first base;
 - e. Any call in which any member of the offense is called out;
 - f. A call of balk or illegal pitch

With this in mind, here are some possible game scenarios and rulings as to whether these add to the pitch count:

1. Situation: Thrown ball results in batter being hit by pitch
Ruling: Pitch counts since result of throw was batter being awarded first.
2. Situation: While R1 attempts to steal second, pitcher balks and then throws to 1st base.
Ruling: Pitch does not count since ball was not thrown in the batter's direction
3. Situation: Just prior to the beginning of the delivery, the batter requests and is granted time-out. The pitcher completes the throw to the catcher.
Ruling: Since the thrown ball never resulted in a play, this does not count toward the pitch count. The pitcher should not be expected to hold the ball as the deceleration is more damaging than the throw.
4. Situation: Pitcher begins his throw and batter illegally steps out of the box. The umpire calls a strike for illegal action on the batter.
Ruling: Pitch counts since the throw resulted in a called strike.
5. Situation: Pitcher balks, immediately followed by a pitch.
Ruling: Pitch counts, even though thrown ball was dead by rule.
6. Situation: Pitch caught by catcher, batter interferes with attempted pick-off at second.
Ruling: Pitch counts since result of play was an out on the offense.
7. Situation: Catcher interferes with batter's attempt to hit the ball to where ball cannot be put into play.
Ruling: Pitch counts since batter is awarded first base
8. Situation: During pitcher's throw, umpire identifies a hazard on the field and calls "time"
Ruling: Pitch does not count, since no result of throw criteria were met

Changes from the 2017-18 Baseball Regulations are indicated in bold type and shaded.
